From

Deputy Commissioner, Hassan District.

To

R. RANGA RAO, Esq., B.A., B.L.,
Secretary to Government, General Department,
Bangalore.

Sir,

I have the honour to forward, herewith, the entire file of correspondence pertaining to the payment of compensation for the Hassanamba Temple land (Old S.No. 258 measuring 2 acres 16 guntas and assessed at Rs 3-8-0 of Hassan) said to have been acquired for the extension of the Town and to state as follows:-

From the enclosed correspondence it may be seen that so far back as 1892-93, certain Inar lands endowed to Sri Hassanamb temple at Hassan were acquired along with some others for Hunasanakere road and the extension of the Hassan Town and that the compensation due therefor has not been paid.

The Archak of the temple began to send petitions to this and subordinate offices urging for the early disbursement of the compensation. Thereupon, necessary action was taken to investigate the case. It was ascertained then that the acquisition records, were referred to Gumastha Srikantaiah and that he died subsequently about 1894-95. It is reported also by the Amildar, that all the needful steps have been taken to trace out the records in question but none of them are forthcoming. Anyway, it is reported that the area acquired is 2 acres 16 guntas out of S.No.258 assessed at Rs 3-8-0 and that during resurvey i.e., from 1922-1923 this area is reported to have been omitted. The Municipal Council have given their assent for the total area acquired.

not in file. Ref. reference is made to this in the correspondence I As per Mahazar dated 29-11-1899, the land was estimated by the villagers at Rs 80/- per acre. Putting this value, the cost of acquisition amounts approximately to Rs 192/- excluding statutory Allowance etc.

Even though the land was not acquired for the extension by recourse to Land Acquisition Procedure, yet it is obligatory on the part of the Municipality to pay this amount, as the land was taken up for the extension of the Hassan Town. The President was therefore addressed in the matter anent the cost of acquisition.

The President in forwarding a copy of the resolution intimates with No. 143 dated 31-3-1929 that the matter was placed before the Council at their meeting held on 25th August 1928 and after considerable deliberations, it was resolved as follows:-

" On the analogy of the step taken in respect of the Anjaneya temple, the Council would decide upon giving a monthly grant of Rs 6/- to the institution i.e., Hassanamba temple, the said grant being in the form of Petrol light to be kept in the temple premises in a suitable place and the said light burning during a period of 18 nights per month, i.e., from [illegible] to [illegible], if this roposal should be accepted in full satisfaction without reference to the merits of the claim".

Considering the amount of compensation that is expected to be paid, the offer of the Council appears to be more beneficial to the temple than to receive the amount of Rs 192/- in as much as the return for Rs 192/- per annum would be only Rs 10/- at 5% whereas the proposal of the council results in an annual income of Rs 72/- and that for supplying a good light for the temple, the need for which is keenly felt during dark nights and particularly during the annual jatra season.

In a similar instance, i.e., when deciding the question of compensation claimed for Anjaneya temple in the Bazaar street in Hassan, in respect of the land acquired by the Municipality, it was decided by the Council that a monthly grant of Rs 5/- be paid to the Muzrai Fund after obtaining sanction of Government, in lieu

5

in lieu of the compensation. Sanction of Government was also accorded to this decision of the Council. (Vide G.O.No.L.2087-9/ml. 147-23-4 dated 20th September 1926).

It is reported by the Amildar that as this is a village institution and no Dhármadarsis are appointed for this temple, he made enquiries in the town re: the proposal of the Municipality and opines that the same may be accepted in the interest of the temple.

In view of the above circumstances, I agree with the Amildar, and recommend the accepting of the proposal of the Municipality and request that the early sanction of Government may kindly be obtained, for the payment of monthly grant of Rs 6/- from the Municipality to the institution, the said grant being in the form of a petrol light to be kept in the temple premises in a suitable place and the said light burning during a period of 18 nights per month.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Hassan District.
